

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
February 11th, 2022

The SBCCC last met in person on December 17th 2021, at Town Hall and has not met again prior to the Town Council meeting date. Since that meeting the Town has once again returned to remote participation due to the surge in Covid-19 in Delaware.

The committee will continue the discussion of plans to eliminate criminal penalties from the Town Code in our next remote meeting on February 18th, 2022.

The committee will be discussing how to address council member concerns regarding the proposed ordinance that would allow certain types of structures in the rear setbacks on the West side of Route 1.

The SBCCC will continue to meet remotely, every other month, on the third Friday of the month at 2:00pm EST. The remaining meeting date for the current committee term is April 15th, 2022.

Additional meetings may be scheduled if the workload requires this.

The public is always welcome to remotely attend these meetings and time will be set aside for public comment.
